President's Message

FELLOW CLUB MEMBERS,

We had a wonderful experience working with the 2nd annual Northern California Junior Golf Championship on Monday, June 28th at Lake Chabot Golf Course. *Michael Smith, Wakilli Bonner* and myself were able to participate and represent our club. The donation of \$200.00 we made to their

tournament was very much appreciated.

In shifting gears, I want to turn to our upcoming club election that is in our charter and bylaws. Although I have enjoyed my two years as your President, the Club needs to continue to allow new and ongoing members the experience of holding various offices. This way, everyone will be involved and, at the same time, invest themselves in the Club activities. This includes recruitment of new members, participation in tournaments and attendance in monthly meetings. We, as a club, will remain healthy if we follow this format of inclusion. As your President, I endorse *Michael Smith*, whom I appointed Vice President, as our natural next candidate for President. *Wakilli Bonner* will continue to hold his position for one more year. All of the other positions for consideration or confirmation need to be looked at in the upcoming meetings. Think about it. Talk with other members to decide who you would like to represent our club.

—Henry Dorsey, President
